- A large blue and yellow truck is shown from a side-rear perspective, heavily loaded with stacks of colorful plastic crates. The crates are arranged in neat piles, with colors including yellow, green, red, and white. The truck is parked on a paved road under a clear blue sky. In the background, there are some buildings and power lines. The truck's rear features a yellow license plate with the number '81W-28' and a 'PAGAS' logo.

A group of approximately 15 people, mostly young adults, are posing on a stage. They are wearing red t-shirts with a logo on the front. Some are holding up small red signs or phones. Behind them are four large, vertical red banners with the word "LEO" in white. The setting appears to be an outdoor event at night, with a building visible in the background.
